A message from the Mayor

On behalf of Council, I'm pleased to present the Town of Georgina's 2026 Waste and Recycling Calendar.

The Town's Blue Box Recycling Program is now managed by Circular Materials, the organization responsible for overseeing recycling on behalf of producers throughout Ontario. Residents will be using a new 360 litre wheeled recycling cart, collection moves to bi-weekly from weekly, and carts will be emptied using trucks equipped with mechanical arms, replacing manual collection.

Inside this calendar, you'll find everything you need to know about waste collection in our community including schedules for recycling, yard waste and special initiatives such as Curbside Giveaway Days, electronics recycling, and the popular Swap and Sell event. You'll also find helpful tips on what belongs in your blue box recycling cart and green bin, how to dispose of bulky and metal items, and ways to reduce your overall waste. To stay informed and never miss a collection day, be sure to download the Recycle Coach app for reminders and updates.

We encourage everyone to continue making environmentally conscious choices, and to reduce, reuse and recycle wherever possible. Avoid single-use plastics and opt for reusable alternatives. By working together, we can reduce what goes to landfill and keep Georgina clean, green and thriving for years to come.

Sincerely,

Margaret Quirk, BAsC
Mayor

Safely dispose of batteries

Batteries should never go in the trash or regular recycling — they can get damaged and cause fires at waste facilities. The Town has partnered with Call2Recycle to provide safe drop-off locations for used batteries.

How to prepare your batteries:

- Tape terminals with clear or electrical tape to prevent short-circuits.
- Ensure batteries are intact, not leaking or corroded.
- Keep batteries separated; avoid loose contact. Use a small container or plastic bag if needed.

Drop off:

Bring prepared batteries to an official Call2Recycle bin at a municipal facility. For a list of locations, visit georgina.ca/WasteandRecycling.
